Ibrahim Diarra – Senior Advisor, Talent Acquisition, Mila

A dedicated professional with expertise in talent acquisition and human resources, Ibrahim Diarra's diverse professional experience reflects his commitment to excellence.

His international academic background includes a Bachelor's degree in Industrial Relations from Université Laval in 2014, as well as a diploma in Economic and Social Sciences from the Prytanée National Militaire in France. He began his career in 2014 as a human resources consultant then focused on talent acquisition dedicated to the advanced technology industries.

Since 2022, he has embraced the challenges of the artificial intelligence world as Senior Talent Acquisition Advisor at Mila - Institut québécois d'intelligence artificielle.

In addition to his social involvement, he was awarded the distinction of Top Recruiter Canada 2022 award, a recognition that crystallizes his expertise within his profession.
